

Thank You

SVCS's New Student Referral Program is designed to thank current families for their valued investment in SVCS.

We want to honor current SVCS families who actively share about our amazing school.

We are looking for families who are willing to partner with SVCS to educate their child(ren) and support our mission statement and vision.

New Student Referral Program

The New Student Referral Program awards a referring Sandia View Christian School family with a \$500 tuition credit for each new family that is referred to SVCS and is actually accepted, enrolled and enrollment continues in good standing.

There is no limit to the number of families an SVCS family can refer, however, the total amount of tuition credits any SVCS Family can earn under the referral program is limited to their total tuition less any combined discounts and financial aid for the school year.

Program Procedures

- The tuition credit per referred family is applied two times per school year in October and March as long as the new student is still enrolled at SVCS. Referred students must be enrolled at the beginning of a semester and in good financial standing for the referring family to receive their distribution. Tuition credits are reduced by half for students enrolling during the 2nd semester of the school year. Tuition credits will be applied prior to prepaid or other percentage discounts.
- It is the referring family's responsibility to be sure the prospective family mentions this program and the referring family's name during their first contact with SVCS (via phone or in person). The referring family must fill out and return the form prior to completion of enrollment of the new student(s). Referrals cannot be made retroactively.
- Referred families may not have been previously enrolled at SVCS. Siblings of current or past SVCS families do not qualify. If the referred student withdraws or is asked to leave, the undistributed portion of the tuition credit will be void.
- Tuition credit will apply to tuition only and not to any other fees. Tuition credits are non-transferable and hold no cash value.
- Acceptance is subject to available space, no tuition credit will be given until the student enrolls in SVCS.
- If an interpretation is to be made, the school administration reserves that right. SVCS reserves the right to change, alter or cancel this program at any time.
